## **EXHIBITIONS AT THE DESIGN MUSEUM JANUARY - MARCH:**

### **DESIGNERS IN RESIDENCE**

Now in its seventh year, the Design Museum's annual Designers in Residence programme provides a platform to celebrate new and emerging designers at an early stage in their career. 2014's selected designers will spend four months responding to the theme of 'disruption', with their projects forming an exhibition at the Design Museum from 10 September 2014 until 1 February 2015.

### **WOMEN FASHION POWER**

From Elizabeth I to Margaret Thatcher, Coco Chanel to Lady Gaga, the clothes women wear have always been a powerful form of self-expression and part of a sophisticated visual language. Opening at the Design Museum this autumn, WOMEN FASHION POWER looks at how influential women have used fashion to define and enhance their position in the world. The exhibition celebrates exceptional women from the spheres of politics, culture, business and fashion — forward thinkers who have had an impact on our wardrobes and the world stage.
