PREPARING FOR YOUR VISIT

Group size

If the size of your group is likely to change by more than two people from the number stipulated in your original booking, please let us know as soon as possible.

We recommend a student:teacher supervision ratio of 10:1.

You are welcome to make a **preparatory visit** to the Design Museum for research once you have booked your group visit. This visit **MUST** be booked in advance through the Learning Administrator on 020 7940 8782. You will be entitled to one free visit per booking.

You can also prepare for your visit by downloading teacher notes for current exhibitions and worksheets for KS 2 - 4 from our online resource Discover Design <http://www.designmuseum.org/discoverdesign/>

YOUR VISIT

Arrival

Arrival times are designated in order to ensure that all groups have clear access to the galleries and to avoid clashes with other large parties. If you are running late or would like to amend your arrival time, please contact us. You may wish to ask your group to wait outside the museum while you pay at the admissions desk to avoid congestion in the foyer.

Toilets

Toilets, including adapted toilets, are located on the ground floor of the museum. We recommend that students and teachers use them before going into the galleries.

Supervision

Please supervise your group at all times during the visit to ensure that they respect other visitors by retaining lowest noise levels and ensuring access to exhibits for everyone. We recommend that students aged 16 and under should be supervised by **one teacher for every ten students**.

Teachers are responsible for students' behaviour whilst they are in the museum. Please ensure that they adhere to these basic gallery rules:

- No running
- No shouting
- No mobile phones
- No leaning against exhibits or plinths

Please assume that all exhibits should **not** be touched unless the accompanying texts state otherwise. Any interactive exhibits will be clearly marked, please use them with care.

Groups may be asked to leave the museum if students ignore the requests of our Admissions and Galleries staff regarding inappropriate behaviour in the Design Museum.

Documenting your visit

Sketch books/paper are encouraged, however please steer your group away from leaning or resting on exhibition plinths, display cases or walls. The use of pens and other wet materials is not permitted in the galleries. As an alternative, students are allowed to use **pencils** if they wish to make sketches or take notes.

Photography without flash is permitted for most exhibitions. If members of your group wish to take photographs, please check with the Admissions staff when you arrive at the museum.

Design Museum Shop

Students are welcome to visit the Design Museum Shop during their visit. However, please ensure that your students visit the shop in small groups (of no more than 10) at staggered intervals.

Please note that there may be material and merchandise in the shop which is not suitable for under 16s. It is your responsibility to determine if it is suitable for students to enter the shop.

Refreshments

There is **no lunchroom** in the museum. We have a small café, but it is not possible to eat packed lunches there. Packed lunches may be eaten outside the museum on our riverside terrace. Please make sure that all of your group's litter is disposed of after your lunch.

Eating and drinking is not permitted in the Galleries.

Personal Belongings

Please ensure that your group keep their belongings with them at all times. There are limited cloakroom facilities at the museum.

PAYMENT

Payment should be made on arrival by cheque (payable to the Design Museum), cash or credit card in one single transaction. Your ticket allows entry to the galleries once. If you need to re-enter the galleries, please ask the Admissions staff for help.

Pre-payments/Refunds

If you have made arrangements with the Learning Team to pre-pay for a visit, you may claim a refund of up to £20 individual students who are absent on the day. This refund can be claimed after your visit by contacting the Learning Team. The Design Museum is unable to process refunds on the day of your visit or for a higher amount.

Payment must be received in advance of or on the day of your visit.

Cancellations

A cancellation fee of £50 is payable if a workshop is cancelled within seven working days of its scheduled date. In the case of a late cancellation, an invoice will be sent to the school. In the event of unforeseen circumstances concerning our teaching staff on the day of your workshop, we will do everything we can to find a replacement teacher. If this is not possible, we reserve the right to cancel the workshop and will compensate you with free entry to the museum and the use of the Learning Centre.
