DESIGN MUSEUM LATE NIGHT CHRISTMAS SHOPPING

Tuesday 19 + Wednesday 20 December until 9pm

The **Design Museum Shop** announces two late night shopping evenings on 19 and 20 December 2006. Choose from an exciting selection of products by the world's leading designers including Alvar Aalto, Ettore Sottsass, Tord Boontje, Timorous Beasties and Marc Newson. This is a perfect opportunity to find a last-minute present for a design-conscious friend, as well as quirky stocking fillers, design cards and wrapping paper.

Adding to the festive atmosphere, the **Design Museum Café** will be serving Konditor & Cook mince pies and fragrant mulled wine, while musical entertainment will be provided by a magical marionette performance. Design Museum members receive a 10% discount at the Design Museum Shop and Café.

Visitors on both evenings will be offered the chance to view the current Design Museum exhibitions – **Alan Fletcher: Fifty years of graphic work (and play)**, **Design Mart** and **Designing Modern Britain** – at a reduced entry fee of £4 on admission between 6pm and 9pm. This will also be an opportunity to view the new exhibition **Confronting the Chair – Martino Gamper**.

Many of the products sold in the Design Museum Shop can be ordered online at www.designmuseum.org.
