Students from the renowned vehicle design course at the Royal College of Art will be on hand to give expert advice and speed you along your way.

Super Contemporary – Celebrate Your City!

Sunday 7 & 28 June and 12 & 26 July

What would you build to celebrate your capital city? Inspired by Super Contemporary, the museum's celebration of London's dynamic design story, here's your chance to create mini 3D designs for London, from pioneering parks and playgrounds to beautiful bridges and buildings. Add your models to our exciting 3D map of the city for a souvenir photograph which can be emailed to you. These workshops support Children's Art Day.
