### Books

**Sketches – Mariscal £65**

Not officially published until October, this book will be exclusively available at the Design Museum shop from July. Edited by Nova Era, this book brings together sketches and outlines of ideas from Mariscal's career.

**1080 Recipes – The Ortegas + Mariscal (Phaidon Press) - £24.99**

The traditional food bible of Spain that contains 1,080 recipes from the mother and daughter team of Simone and Ines Ortega now translated into English for the first time. Truly authentic Spanish dishes, from paella to patatas con chorizo. The entire book has been illustrated throughout by Mariscal, making this very useful book highly desirable.

**Drawing Life – Mariscal (Phaidon Press) - £39.95**

**Publication Date September 2009**

Brand new publication showing all of Mariscal's work including campaigns for H&M, Camper, The Barcelona Olympics, his logos, typefaces and illustrative experiments. The book has a very Spanish flavour and is very colourful. Mariscal has added his own handwritten notes throughout the book.
