Kids Sunday Workshop

Cabinets of Curiosity

Sunday 12 September

Ages 5 -11

2pm – 5pm, £4 per child – must be accompanied by adult

The Design Museum is the place to investigate contemporary design. In this special family workshop children are invited to create mini museums of their own, bringing together drawings and models of their favourite design objects inside a box to curate their own space.

Design Museum Ball – London Design Festival Event

Friday 24 September

6 – 10pm, Tickets £5 in advance, £8.50 on the door

“Design Museum you’re really spoiling us,” the gathered gaily dressed guests say as they experience the delights of the most festive of design receptions. Yes, you are cordially invited to procure a ticket for the auspiciously daring and ostentatiously dazzling Design Museum Ball. Learn to waltz accompanied by our in-house orchestra and you’ll be able to spontaneously step into dance every time you hear the music play. Do not doubt the need for donning finery, those deemed too decorum deficient for the dance will have the opportunity to spruce up with sash, dickie, tiara or train. Tickets available in advance from tickets@designmuseum.org, 0207 940 8783 or ticketweb.co.uk.

Kids Sunday Workshops

Drawing Rooms

Sunday 10 October - This workshop will also celebrate the Big Draw Festival

Sunday 14 November

Ages 5 – 11

2pm – 5pm, £4 per child – must be accompanied by a adult

Budding young architects can get creative, combining drawing and a variety of modelling materials, to turn 2D drawings into 3D models inspired by the designs of architect John Pawson.

*******Half Term 3 day course for 12 - 16 year olds*******

Get into Product Design

Monday 25 - Wednesday 27 October

10.30am – 3.30pm each day

£125

This course offers insights into professional practice and a chance to respond creatively to a design brief set by established designers. Participants will work with product designer Gregor Timlin from the design collective Propwork, exploring a range of techniques, focusing on how to generate ideas, develop them into concept designs and work from 2D to 3D model-making.
