# the Design Museum Virtual Workshops

---

**With face to face events on hold, don't miss out on the chance to get together and be creative!**

The Design Museum are now offering virtual bite-size 2-hour workshops led by an Industry Expert with each exploring an exciting creative design process.

For three of our workshops a package of the required materials will be sent directly to you. For our fermentation workshop the materials can usually already be found in your kitchen cupboard!

The prices range from £80+VAT to £100+VAT per person with a minimum 10 guests.

*The perfect way to connect and celebrate!*

## Introduction to Jesmonite Casting With Haidée Drew

Learn how to create unique and beautiful terrazzo coasters in this online masterclass with designer and maker Haidée Drew. This workshop provides a hands-on introduction to Jesmonite Casting, a fine concrete-like material known for its use in architecture, sculpture, homewares and jewellery. You will experiment with skills such as marbling, terrazzo and finishing techniques to create your unique coaster. There will be enough material provided to make and finish one coaster during the workshop and then armed with your new skills be able to continue after the masterclass to complete a set of two. **Cost: £100+VAT per person (materials included)**

## Introduction to Watercolours With Katie Rose Johnston

Learn the basics of watercolour in this hands-on introduction to illustration with artist and illustrator Katie Rose Johnston. With a focus on botanicals, you will be guided through a range of playful watercolour techniques to develop your creative skills and unwind. In the class we will observe some botanicals to create your own floral design. Perhaps you would like to give your painting as a gift or use the class to make some greetings cards? **Cost: £100+VAT per person (materials included)**

## Introduction to Bookbinding

With Rahel Zoller

Learn how to produce your own hand-made books with artist and designer Rahel Zoller. During this online workshop, you will produce two hand-crafted books using different techniques to fold and manipulate paper. A basic binding tool kit and materials will be mailed out to each individual to facilitate a small workshop setting at home. **Cost: £100+VAT per person** (*materials included*)

## Introduction to Fermentation

With Inês Neto dos Santos

Learn how to make fermented and naturally preserved foods in this online masterclass with artist Inês Neto dos Santos. This workshop provides a hands-on introduction to the art of fermentation and other natural preserving methods. Over the course of this session, you will be introduced to the history, health benefits and methods of these techniques, whilst exploring the possibilities of fermentation as a zero-waste and eco-conscious practice. Together, you will use a range of seasonal ingredients to create your own delicious ferments from ingredients found in your kitchen cupboard. **Cost: £80+VAT per person** (*materials not included*)
